How do I know if your site is genuine, theft free and valid?

Jared - 2020-07-20 - FAQs

We are an approved IRS e-file provider, which means we have been officially approved to electronically submit data directly to the IRS. Should you have concerns, this can be verified with the IRS directly. Additionally, we take data privacy and security very seriously and are required to pass security and privacy tests by the IRS in order to provide this service.
